

# DISTRICT 1 UPDATE

SEPTEMBER 2020

## FLU. COLD. ALLERGIES. COVID.

A note from District 1 Councilman Roberto Treviño

Neighbors,

We are entering cold and flu season as well as seeing a spike in seasonal allergies. Symptoms can be similar to those of COVID-19. We must all stay vigilant in exercising best practices like social distancing and wearing a mask in public. If you or someone in your household feels sick, take all precautionary actions to ensure that you isolate and reach out to your physician. You can find more information on COVID-19 testing locations and other COVID-19 resources at [covid19.sanantonio.gov](https://covid19.sanantonio.gov)

As always, our office is currently assisting the community safely through email, phone and virtual meetings. You can always reach us at [district1@sanantonio.gov](mailto:district1@sanantonio.gov) or **210-207-0900**.

Let's continue to work together to keep each other safe!

Your Councilman,

Roberto C. Treviño  
District 1 City Councilman

## HALLOWEEN DURING A PANDEMIC

This year has pushed us to change how we normally consider community gatherings. Neighbors have crafted caravan celebrations, drive-by birthdays, lawn parties, and more. Halloween, typically an evening filled with streets full of creative costumes and decorated homes, may feel different from years past.

To help reduce the risk and prevent a community spread, we ask that all activities remain safe and allow for social distancing.

We understand that, especially for families with young children, finding ways to enjoy the evening safely and without concerns of exposure is what many households are considering. We have provided some alternative ideas recommended by the CDC for families to continue to celebrate Halloween safely at home.

- Carving pumpkins and displaying them on Halloween night
- Decorating your homes and living spaces
- Doing a Halloween-themed family scavenger hunt
- A Community Virtual Halloween Costume Contest
- A family Halloween movie night at home

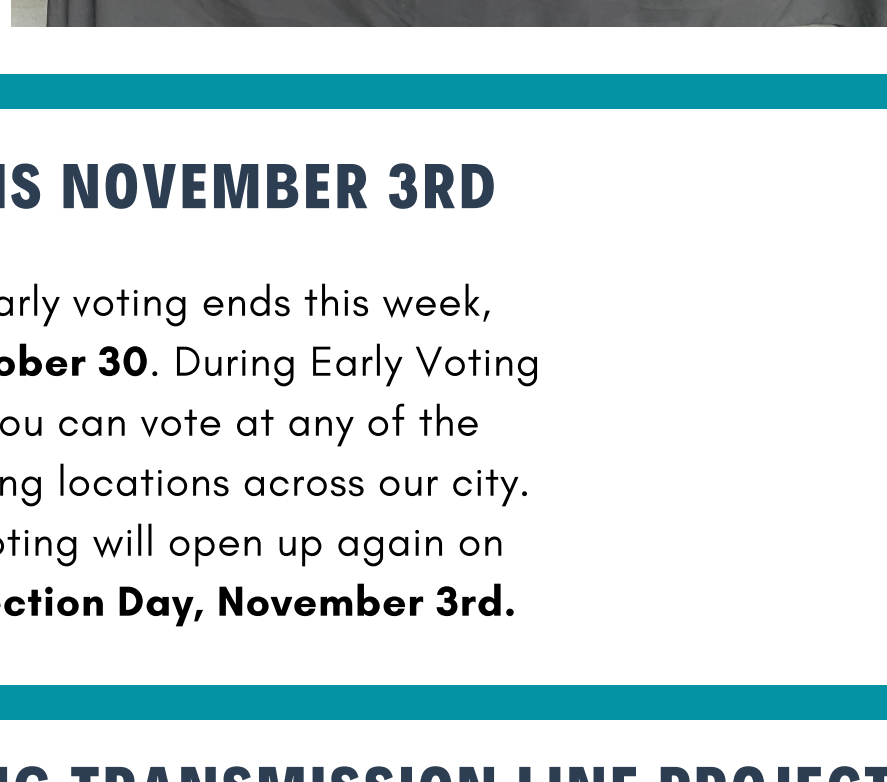

## NOT WEARING A MASK IS SCARY

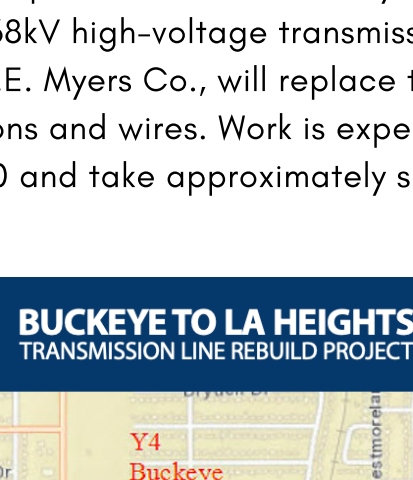

## FREE MICROCHIPPING EVERY SUNDAY

In partnership with City of San Antonio - Animal Care Services

Starting in November, District 1 Animal Patrol Officer, Adan Perez, will be at our Field Office every Sunday distributing Free Microchips. All that is required is a valid photo I.D. and your pet. This is for dogs only. Keep an eye out for updated times of service and more information on our Facebook Page.

## ELECTION DAY IS NOVEMBER 3RD

Early voting ends this week, **October 30**. During Early Voting you can vote at any of the voting locations across our city. Voting will open up again on **Election Day, November 3rd**.

## FROM CPS-ENERGY: UPCOMING TRANSMISSION LINE PROJECT

CPS-Energy has provided some information on an infrastructure project set to begin on **10/12/2020**. They are rebuilding the aging transmission line along West Avenue from Edgebrook Ln to W Hildebrand to maintain reliability.

The project is to improve electric reliability in the neighborhood by rebuilding a 138kV high-voltage transmission line. The contractor, The L.E. Myers Co., will replace the transmission line's towers, foundations and wires. Work is expected to start on October 12, 2020 and take approximately six (6) months to complete.

### How can you follow the progress of this project?

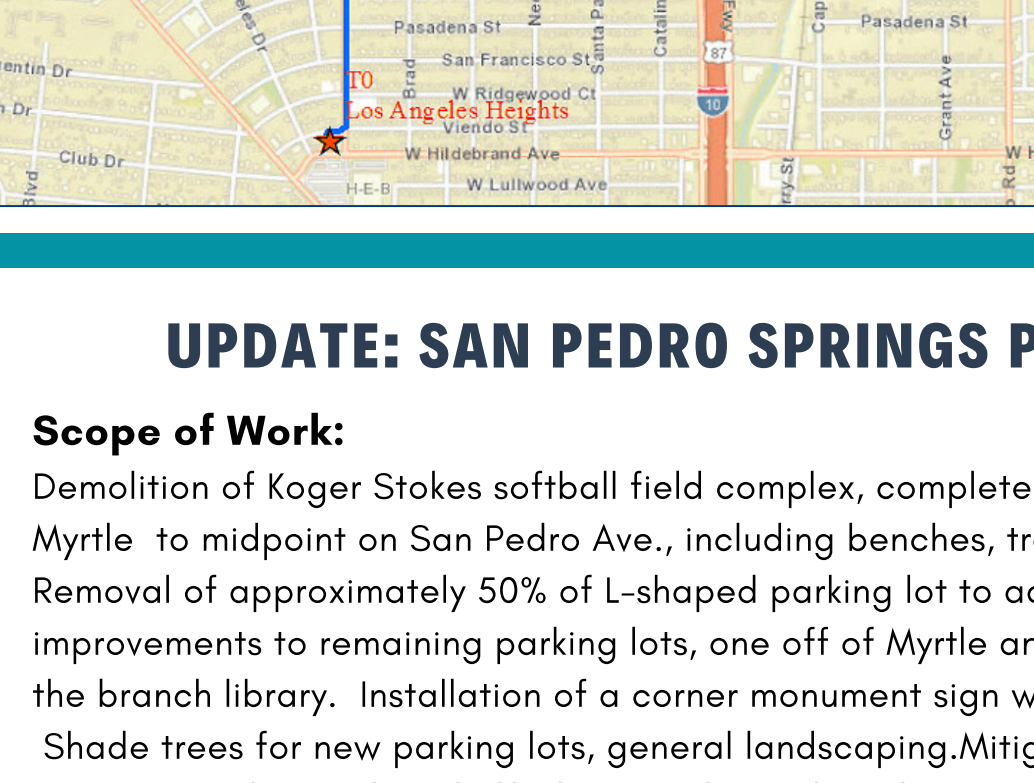

The CPS Energy project team will post project information on the CPS Energy website at [www.cpsenergy.com](https://www.cpsenergy.com). (search: Buckeye)

### Who can answer your questions?

The website will include regular updates on the project as steps are completed. Also, you may call, write or e-mail to:

## UPDATE: SAN PEDRO SPRINGS PARK BOND PROJECT

### Scope of Work:

Demolition of Koger Stokes softball field complex, complete San Pedro loop trail from midpoint on Myrtle to midpoint on San Pedro Ave., including benches, trash cans and pedestrian trail lighting, Removal of approximately 50% of L-shaped parking lot to add green space, rehabilitation and improvements to remaining parking lots, one off of Myrtle and one off of San Pedro Ave. that services the branch library. Installation of a corner landscaping mitigation trees effort and planting/irrigation. Shade trees for new parking lots, general landscaping. Mitigation trees effort will add approximately 180 trees to the southern half of San Pedro Park, with most installed in the SE quadrant.

### Schedule:

Construction Notice to Proceed tentatively set for **October 5th. 270 day duration**. Project scheduled to be complete **May 3rd, 2021**.

## Construction Project in Your Area

San Antonio Water System is holding a meeting to discuss the Cresthaven Heights Water Main Replacement Project. [Join us online to learn more.](https://www.sawater.org/outreach)

November 10, 2020  
6:00 pm  
[Sawater.org/outreach](https://www.sawater.org/outreach)

The Cresthaven Water Main Project is replacing approximately 10,200 linear feet of 8-inch water main via open cut and pipe-bursting methods. Project limits include Cliffwood Dr., Redrock Dr., Weizmann Street, Neer Ave., and alleys highlighted on map.

Project construction is expected to begin in December 2020 and be completed by December 2021. While construction is being carried out by an independent contractor, SAWS inspectors regularly visit the site to ensure progress and compliance with all regulations and codes. Residents will be notified prior to any disruption to the water or sewer service and these should be minimal.

Thank you in advance for your patience and cooperation during these needed improvements.

For questions regarding this project, please contact Cecilia Picazo.  
210-233-3750 or [Cecilia.Picazo@saws.org](mailto:Cecilia.Picazo@saws.org)

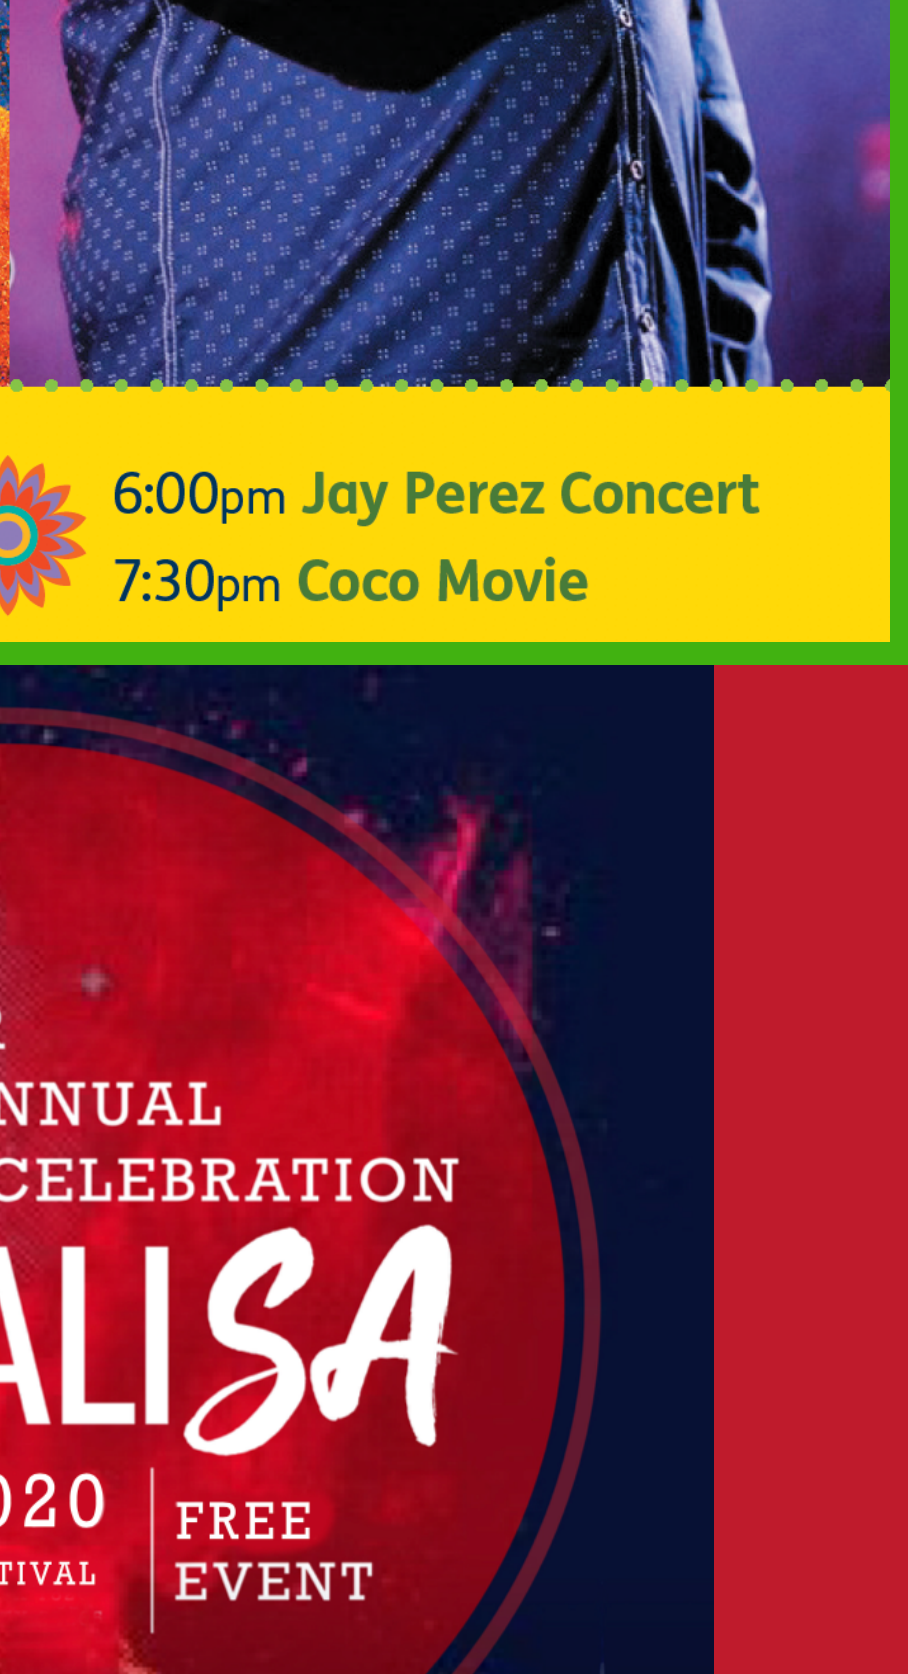

Announcement Coming October 30

October 30 is the Season 2 premiere of The Mandalorian on Disney+ We will be making a big announcement on social media that fits the theme of the series and supports our community.

Stay Tuned!
